ASIAN **BUSES**

RATECARD 2020/2021

Asian Buses is a quarterly publication aimed primarily at bus and bus fleet operators in South East Asia. As the unique bus publication in the region, it also appeals to anyone associated with the industry. A premier business and product magazine, Asian Buses features and deals with issues around from enthusiasts through to tour operators and infrastructure executives.

The publication covers the latest in fleet management and operations as well as a specific focus on people in the industry and of course the buses themselves with technical and engineering performances, launch of new models and upgrades, etc... This publication is a must read for the astute business man, operating buses in Asia as well as any bus enthusiast in the region.

Insights into the industry allow readers to keep abreast of the latest development, never missing out on a trend or important development. Contributors are recruited from the top-tier in their fields. This publication offers the highest quality.

Who should advertise?
